SPRIT AND ENTHUSIASM — displayed throughout our high school, not only in pep assemblies and at sports events, but also in the classroom. Spirit is the feeling that you are a part of the school. It is the willingness to become involved in school activities. Underclassmen trying vainly to beat the seniors in a competition yell; an understanding teacher sharing laughter with a student; a teacher guiding, instructing, and inspiring a young pupil; a skit which brings laughter to a pep assembly; participation in the school band; a reflective moment to think about the future—these are all examples of the type of spirit that unites West Linn High School. This is the spirit that the Green and Gold has sought to capture and present to you.

THE EXECUTIVE COUNCIL PROMOTES

Vice-President Fred Lenzer

Assistant Treasurer Marilyn Carter

PARTICIPATION

"Involvement is the cornerstone of this year's student government. We have divided the representatives' terms into semesters with the purpose of involving more students," stated Student Body President Eddie Dierickx.

The Executive Council, through its own spirit and participation, has promoted class competition in the Trash Clash, Student Council, the clothing drive; and the WI-OC rivalry. They also initiated the "Class of the Month" and the "Class of the Year." The spirit and participation exhibited by the Executive Council spread through the entire school. Executive Council, we thank you for a great year!

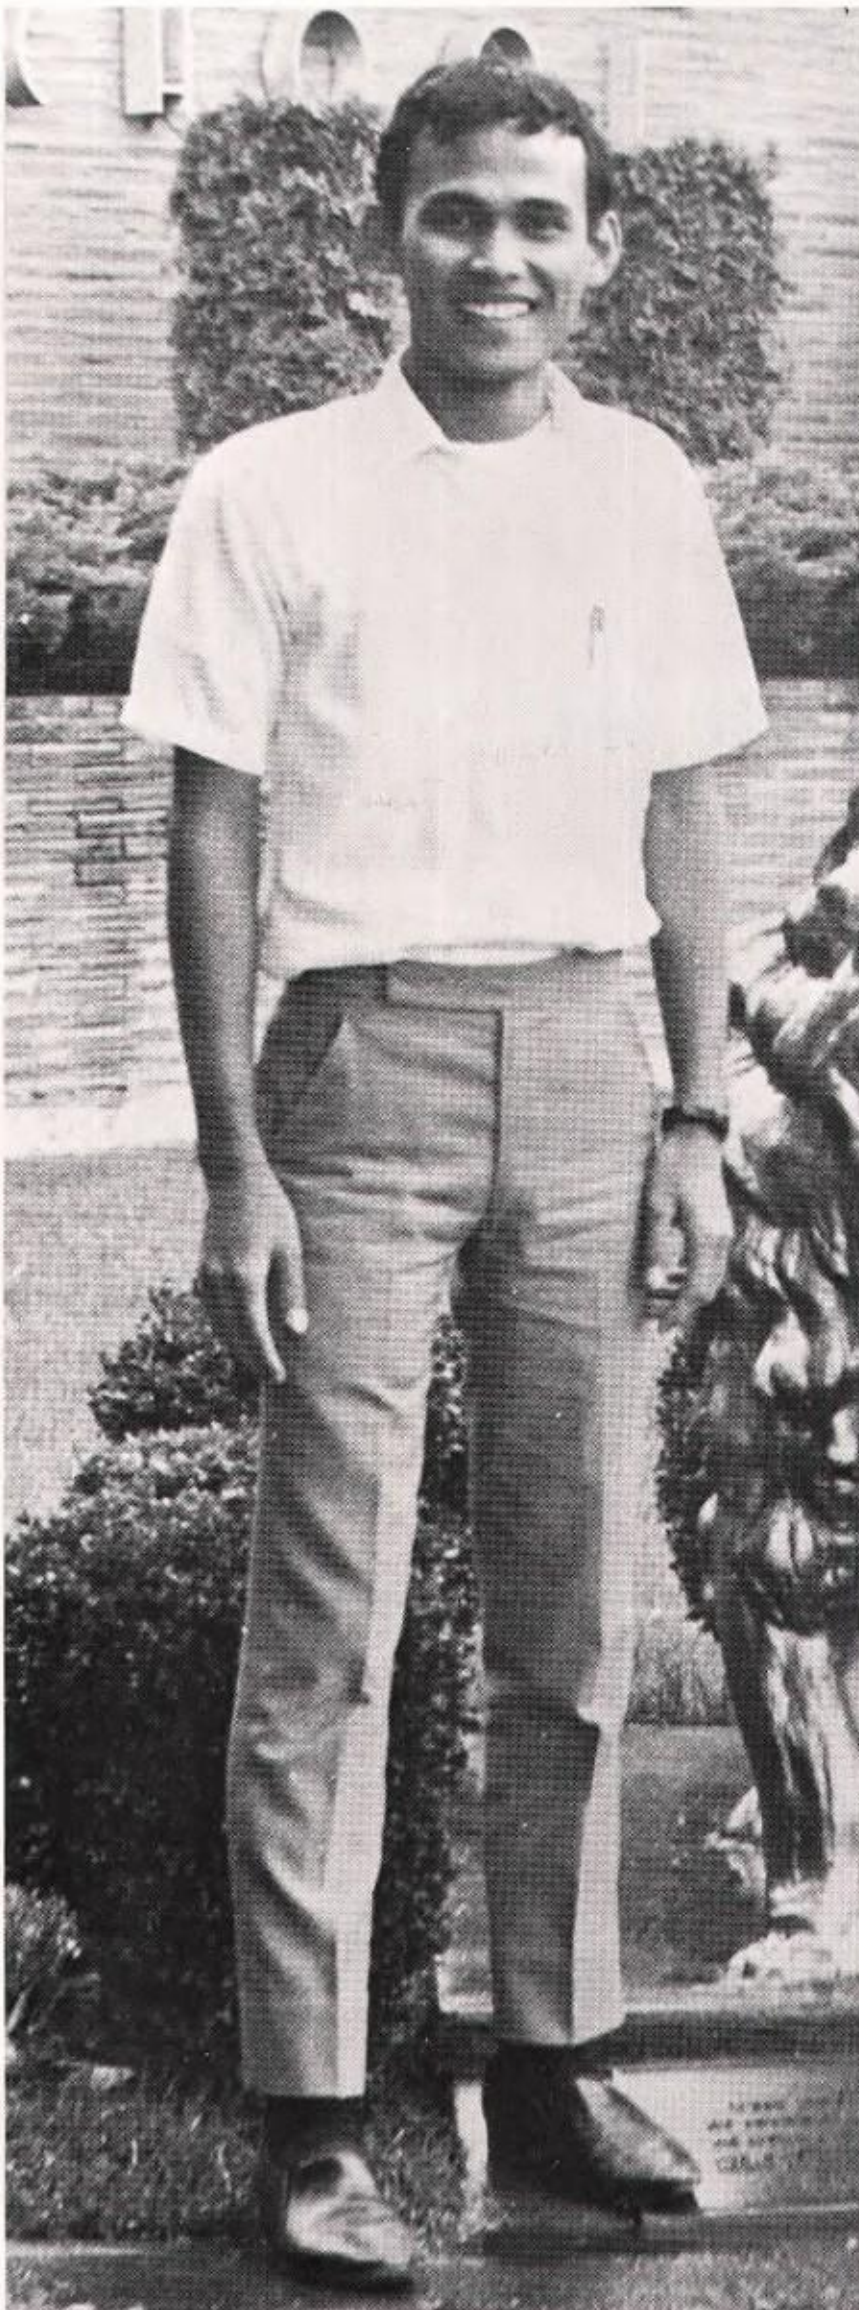

Treasurer Leslie Wievesiek

SHAHARUDIN

A student who comes from the Far East, who is familiar with the four malignant scourges of mankind—poverty, hunger, disease and illiteracy, finds America to be the most attractive place to seek refuge. But a student from Malaysia, whose country is young, who aspires freedom and alleviation from these misfortunes finds America a source of hope and aspiration.

This is evident at West Linn. Though most of you are unaware of the blessed fortunes, you exhibit the beauty of freedom and the value of liberty. In addition, West Linn seems, since the day I arrived, to approve of me as one of her students. I can never forget the bursting cheers accorded to me by the Student Body. What is more cherishable is the warmth and friendliness of the students toward me. Foreign, but unforgettable to me, is the brimming spirit the students display during the football games.

Football, pep assemblies, and homecoming dances are a few of the images that are etched in my memory of West Linn. I'm proud to have West Linn as my American Alma Mater. I will find it to be most painful to depart from West Linn when the school year ends, but as the saying goes: some may come and some may go. I may go but I take with me pleasant memories of my stay in West Linn.

There was no doubt about it, the WEST LINN LIONS came to play football, and play football they did! Coach Rollins' men really put up a battle. In game after game the LIONS held tight to their reputation of being a second-half ball club. They ended their season with a record of six wins, two losses and one tie. Ed Dierickx was named Mr. Touchdown and Bob Moravec was named most inspirational player and team captain.

Previous to the ringing of school bells, the W.L. LIONS could be found on the football field readying themselves for their first game with Tillamook. A clean victory over the Cheesemakers set the pace in the games to follow. Tremendous spirit and courage characterized the LIONS as they took on the McMinnville Grizzlies. They fought hard and their morale was not dampened as the Grizzlies slipped by the LIONS, 28-27.

With five wins and two losses under their belt, the LIONS went into the Oregon City game, bound with determination and victory their goal. The LIONS came out of the game proud and happy as they ended their season with a 26-0 win over the Pioneers. A proud coach, Dan Rollins, said "My boys were GREAT. The defense was inexperienced, but they came on and proved themselves.

Denoted as one of the best in a long time, this year's Freshmen team has great and outstanding potential. They displayed unusual strength and skill as well as courage and the desire to learn which will make them a team to be feared in the future. They were coached to a 4 win, 3 loss season record by Mr. Greenlee and Mr. Schwabauer.

Initiation to the rigors of high school life came to West Linn Freshmen in the form of shining shoes of the upper classmen. Their doom was sealed by a loss in the bag-rush to the Sophomores. As a result, for the week following, upper classmen's shoes took on an unusual sheen.

LA SPLENDOUR D' AUTOMNE

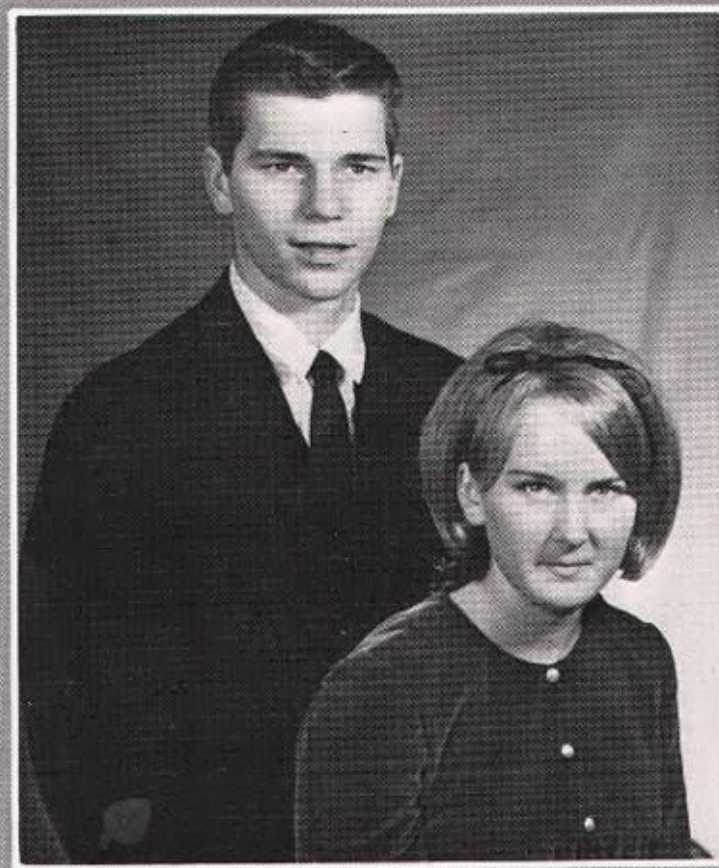

The 1967 Football Homecoming was a day of splendor, spirit, and joy! Affairs began with the pep assembly. Cheers and applause rose at the presentation of the Royal Court.

That evening the spirit ran high as the gold clad Lions drowned the Dragons 32 to 7.

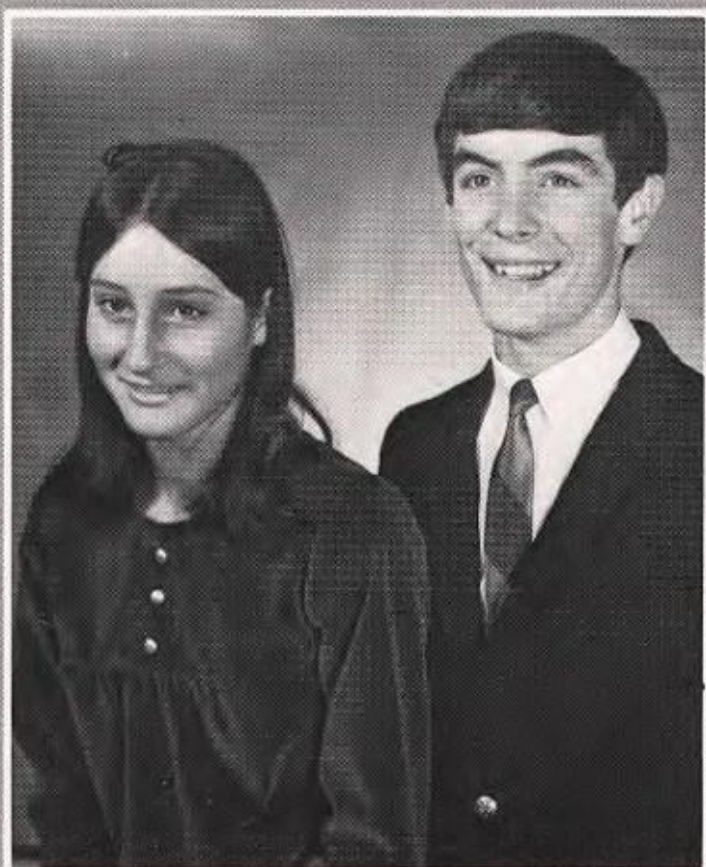

Following our victory came the heart pounding sounds of the Quints. The glimmer of stars, the wave of excitement, led the dance to the end of a truly SPLENDOUR D' AUTOMNE!

GIRLS SWIM TEAM

Congratulations are in order for an outstanding performance by WLHS swim team this year. Although competition is based on the individual swimmer, team members and coaches worked together long and hard for results. Maureen McLellan and Charlotte Lehan qualified for the state meet. Winning scores were reached in meets with Sandy 20, WL 71; Tillamook 46, WL 57; Hood River 42, WL 61. Use of a pool at Damasch hospital provided WL with a quality location for training and home meets.

"THE SKIN OF OUR TEETH"

BY THORTON WILDER

"Enjoy yourselves!"

"But who can tell your past, eh?"

Here is a comedy about George Antrobus, his wife and two children, and their general utility maid, Lily Sabina, all of Excelsior, New Jersey. George Antrobus is John Doe, or Joe Smoove, or you or me---the average American at grips with destiny, sometimes sour, sometimes sweet. The Antrobuses have survived fire, flood, and famine, a dozen wars, and as many depressions. They run many a gamut, and are as durable as radiators. Alternately bewitched, befuddled, and becalmed, and they are the stuff of which heroes are made---heroes and buffoons. They are the true offspring of Adam and Eve, victims of all the ills that flesh is heir to. They have survived a thousand calamities by the skin of their teeth. This play is a tribute to their indestructability.

"Jingle bells, jingle bells, jingle all the way."

"I'm waiting, George. . ."

"Oh, I almost forgot! There's one more line in the telegram!"

"THE SKIN OF OUR TEETH" was directed by Tom Postlewait, and the student assistant director was Terry Bruse.

Miss Merry Christmas

Ann Kehrli escorted by Steve Adams.

Swirling dancers, sparkling decor, and swinging music illuminated the setting for the 1967 Senior presentation of "MISTLETOE MAGIC".

Under flickering lights, Mistletoe, and Kissing Balls, the couples danced to the music of Hermie Grendle's Band.

Punch, poured from an ice-sculptured punch bowl and cookies, made by the senior girls, served as refreshments.

The climax of the evening was the naming of Ann Kehrli as MISS MERRY CHRISTMAS.

"Victory, victory is our goal." This was the triumphant cry of our student body when after 17 years our basketball team achieved the ultimate goal of the round ballers' season, that of qualifying for the State Tournament! Tying the first half of the season and just barely missing the second half, our spirited team was able to participate in this final honor.

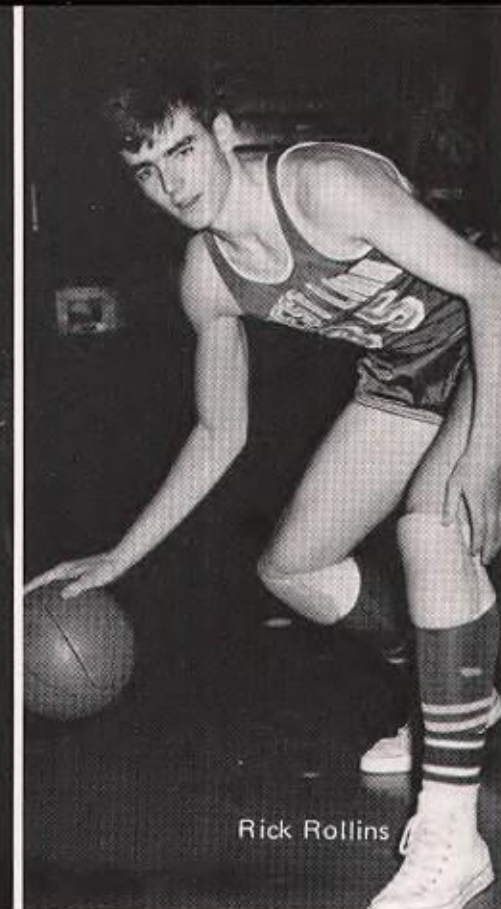

Working together to compose a forceful, energetic team, coached by Mr. McKie, they overpowered their opponents 14 times. We can be proud of our team which exemplifies fine cooperation, spirited endeavors, and sportsmanship-like conduct.

HOMECOMING

Queen Debbie Zimmerman; Escort, King Brian Stone.

If one remembers Basketball Homecoming, let him remember it as a merry time, a time when excitement and spirit reached an explosive point. Remember the thunderous applause when a class jumps up to greet their Princess at the assembly; or the four lovely smiles of the Court as they were presented at the game that night.

Without warning the band started up with musical chords and the Debs appeared to do the Can-Can.

The fun was over for a time. The game began to grow serious for a victory over Mac. meant a further wedge into the State Tourney. The Lions won that night! The spirit and joy of victory carried over to the dance.

Final moments came, when the Jr. Princess, Debbie Zimmerman, was crowned Homecoming Queen.—1968 was a year for spirit and may one never forget that Basketball Homecoming was a part of it.

Weeks of laps and grueling practice prepared our matmen for the tough season which was to follow. The Lions opened their season by wrestling North Eugene. West Linn just wasn't quite ready to handle North Eugene and was overtaken slightly, 27-20. The Crook County Tournament found Crook County on top, Crater in second, Gresham in third, and West Linn in fourth place. Our next match was with Oregon City and the Lions successfully dumped O.C., 31-24. The O.C. match started a three-match winning streak until Tigard broke our record by a 43-8 win over the Lions. Four more matches in a row were handed to the Lions and this time it took Tillamook to set the Lions back on their heels, 33-17. West Linn repeated its performances against Oregon City by delivering them another defeat, this time 27-18. Newberg dropped West Linn 32-15 to finish the regular season. West Linn played host to the invitational meet which saw Gresham take first; Milwaukie, second; West Linn, third; and in fourth place was Oregon City. The Lions came out of the District Wrestling Match in fourth place. Rod Bradley, at 136 lbs., and Ron Smith, at 106 lbs., represented West Linn in the state tournament.

The contagious spirit of campaigning caught the West Linn students when it came time to choose the student body officers for the next year. With the nomination of candidates and the choosing of their campaign managers, work began for the hectic week to come. Slogans, posters, speeches, anticipation for the outcome--the entire student body awaited anxiously the announcement of their new leaders. The 1967-68 officers proudly announced the winners: Dennis Greenman, President; Rick Rollins, Vice-President; Hollis Thomas, Secretary; Colleen Elliott, Assistant Treasurer; and Marilyn Carter, Treasurer.

BASEBALL ROLLS INTO SPRING

The Lion baseball season had its ups and downs in 1968. The West Linn nine played some fine baseball against their across-the-river rivals, winning the first game 1-0 and losing the second game 2-0, even though Larry Parsons struck-out ten Oregon City batters and only gave them two hits. West Linn forced Lake Oswego into extra innings before they were defeated 4-3. Too many men left on base posed the most problems for the Lion ball team. Against Tigard and Lake Oswego, fifteen and twelve West Linn players were left stranded on base.

The pitching chores were handled by seniors Larry Parsons, Ed Dierickx, and Tom Mahar. Top batters included Bob Moravec, Roger Fetz, Larry Parsons, and Ed Dierickx, all three-year lettermen. Sophomores Arba Mushlitz and Scott Smith filled in as catcher and shortstop. Lon Cardiff, Rick Rollins, Fred Lenzer, and Gregg Robinson finished out the Lion line-up. West Linn statistician Sharon Fisher was assisted by freshman Kathie Steele. Sharon also was TYV League Statistician. The Lions are coached by Bill Lee.

GIRLS TRACK

It takes a lot of hard work and self-determination to go out for girls' track. Our team, only two years old, has already shown that it has this determination.

Although they have won no team victories, many individuals have brought recognition to West Linn. Sue Williams, a Senior, holds the State javelin record of 127 feet. Upcoming champions are Debbie Stanley, Sophomore, who's long legs helped her capture fourth at District in running the 440 in 62.7 seconds. Junior, Janis Brady, took first at District in the Broad Jump with a 16'2" record. Her victory enables her to go on to state.

Two assets that can't be overlooked are coaches, Mrs. Grunst and Mrs. Mackey. Without their efforts and time, this new addition to our sports would never be.

West Linn can be sure that much will be heard from this team in years to come.

Moonlight Fantasy

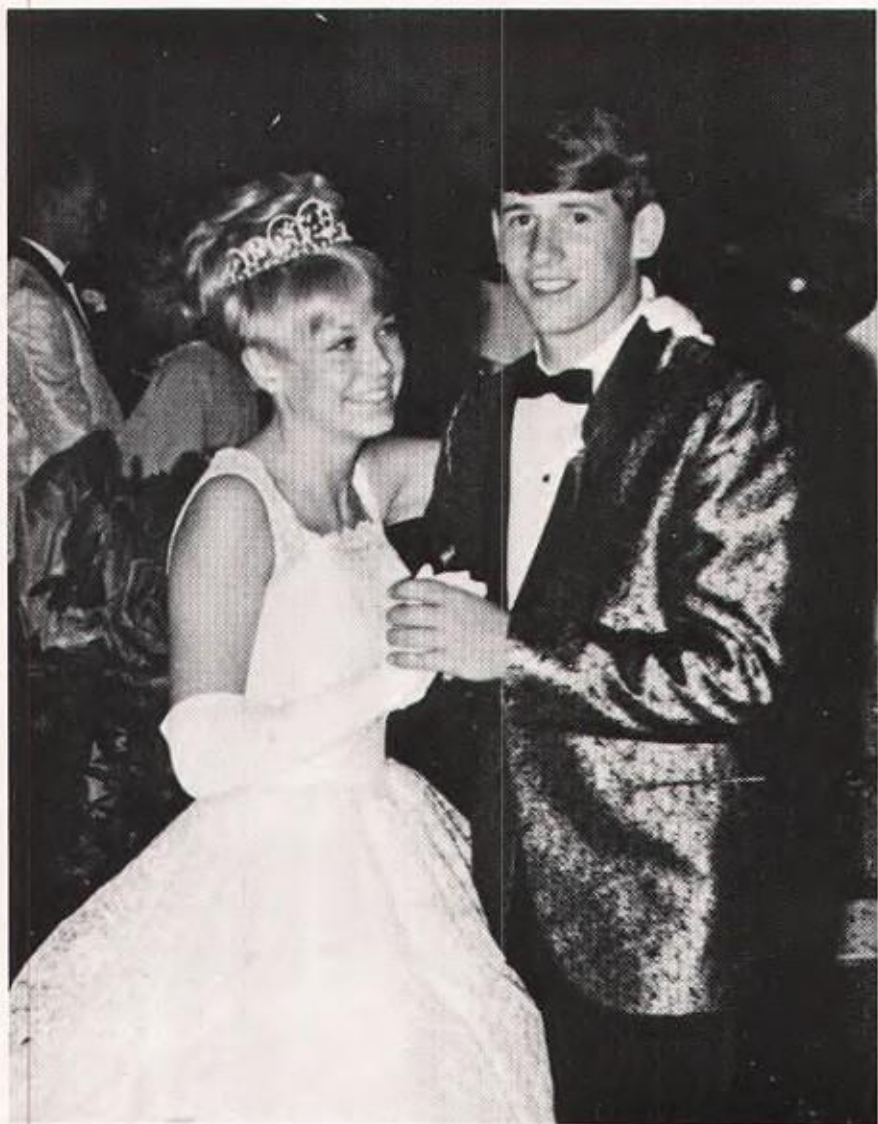

A twinge of excitement.

The Class of 1968 presented the Queen's Ball held May 4 at Marylhurst College.

Affairs began that eve with the entrance of the Court. Soon all were dancing 'round the shimmering fountain. There was laughter and smiles as the nervous fellows and the beautiful girls swirled in the music and candlelight. Even a twinge of Moonlight love was a part of this gala Fantasy.

Music . . . happy couples . . .

Spirit is the key to any class' success. Our class has striven through great efforts to succeed by our support and pep in the assemblies. Combined efforts to have a successful Queen's Ball and our addition to the Varsity strength will lead the JUNIORS into an even greater year in 1969.

SOPHOMORES !

During the sophomore year, "the canine teeth of the young lions became well developed, and they began to hunt their own prey. It is most intriguing to observe how from their blundering and uncertain "start" as freshmen, the young lions "gradually grew in efficiency until they obtained their quarry with the same skill as old and pronounced hunters."

The sophomores sponsored the successful football homecoming dance and won the bagrush. Their spirit and enthusiasm also added to the West Linn victory over Oregon City in the annual football "civil war" rivalry. The sophomores' sign reading, "WL SOPHS say BEAT OC" was hung over the OC elevator much to the dismay of OC fans. Next year as juniors, the class of 1970 is sure to carry on in true West Linn spirit.

SOPHOMORES: two down and two to go!!!

Like LION cubs, the freshman experienced a world of new activities and situations at West Linn. The first challenge, the bagrush, was lost and consequently the freshman were initiated as all lion cubs should be. New circumstances were constantly on hand for the freshman to encounter including class, athletic, and scholastic competition. As the year progressed, the freshman cubs gradually adjusted to the life of a LION at West Linn High.

Freshman Class Officers, Left to right: Pat Boettcher, Sargent-at-Arms; Gary Zea, Secretary; Debbie Keith, Treasurer; John Umbras, Vice-President; Lindsay Laxson, President.

INET DUO

Steve Blake

Then said a teacher, Speak to us of Teaching.

And he said:

No man can reveal to you aught but that which already lies half asleep in the dawning of your knowledge.

The teacher who walks in the shadow of the temple, among his followers, gives not of his wisdom but rather of his faith and his lovingness.

If he is indeed wise he does not bid you enter the house of his wisdom, but rather leads you to the threshold of your own mind.

The astronomer may speak to you of his understanding of space, but he cannot give you his understanding.

The musician may sing to you of the rhythm which is in all space, but he cannot give you the ear which arrest the rhythm nor the voice that echoes it.

And he who is versed in the science of numbers can tell of the regions of wight and measure, but he cannot conduct you thither.

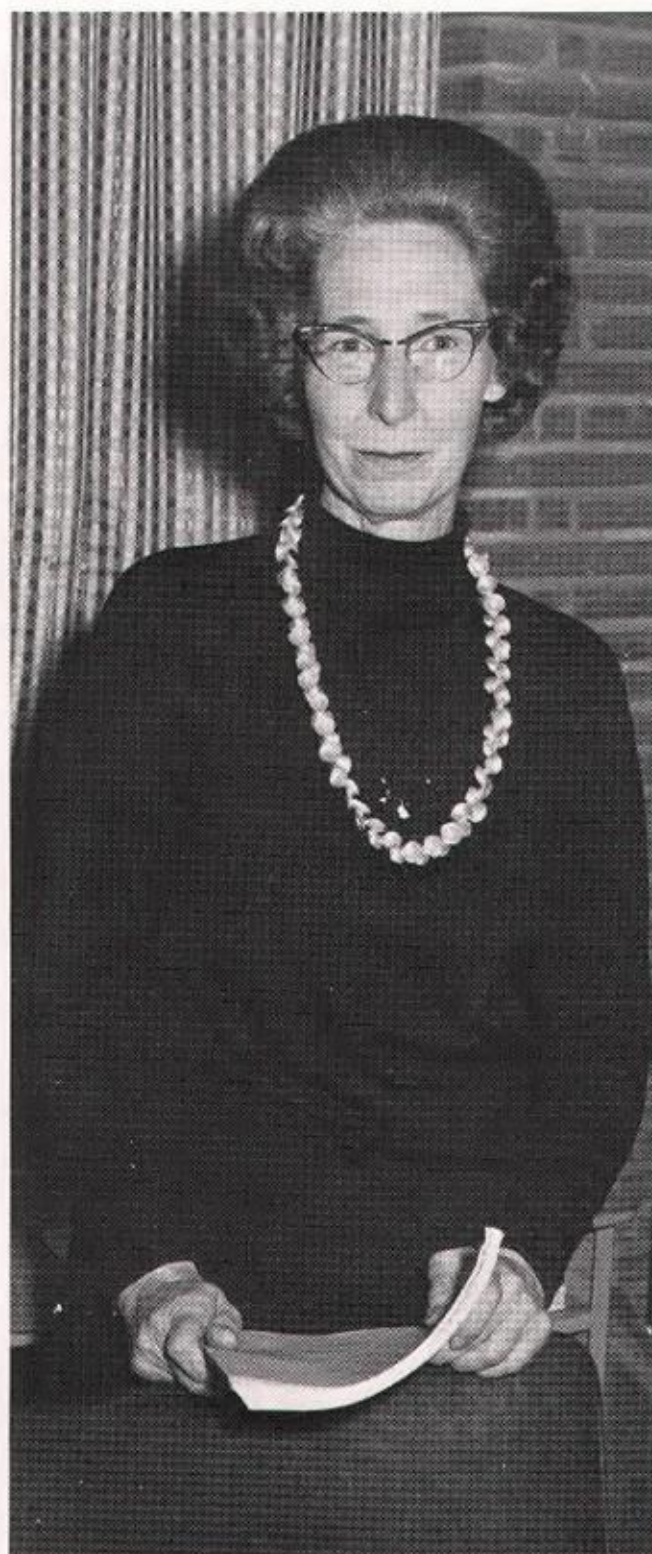

For the vision of one man lends not its wings to another man.
